

Vendor User Manual

How to use the Predio vendor app, step by step. You get a simple app to handle the work orders a building assigns to you. This is the complete written reference. Predio Help (the ♦ at the top) walks you through these same tasks interactively.

predioapp.com · bilingual EN / ES

Run any building. From one app.

predioapp.com

1. Sign in

1. Your building invites you and emails a "**set your password**" link. Open it and choose a password.
 2. Open **Predio**, enter your **email** and **password**, tap **Sign in**.
 3. Change language any time with the **EN / ES** pill at the top.
-

2. Your three tabs

At the bottom: **Messages** · **Open tickets** · **Addresses**. Your profile (and **Sign out**) is under the **avatar** at the top-left.

3. See and open a work order

1. Tap **Open tickets**.
 2. Your assigned tickets are listed (Open now, plus Recent). Tap a ticket to open it.
 3. Inside you see the details and the full **conversation** with the building's team (including any shared or closing photos).
-

4. Talk to the building

1. Tap **Messages** to see the conversations for your tickets (or open a ticket and use its conversation).
 2. Type your message and attach a photo if useful.
-

5. Mark a job resolved

1. Open the ticket from **Open tickets**.
 2. When the work is done, tap **Mark resolved**.
-

6. Find the building (Addresses)

Tap **Addresses** to see the buildings you serve, so you know where to go.

7. What you see

Only **your own assigned tickets** and their addresses — never other vendors' work, residents, or anything else in the building. That's by design.

8. Predio Help

Tap the ♦ at the top and ask — it walks you through anything in your app, in your language.
