

Resident User Manual

How to use the Predio app, step by step. This is the complete written reference. Predio Help (the ♦ on any screen) walks you through these same tasks interactively and links you straight to the screen — this manual is the written version.

predioapp.com · bilingual EN / ES

Run any building. From one app.

predioapp.com

1. Signing in

1. Open **Predio** on your phone.
2. On the **Sign in** screen, enter the **email** your building invited you with and your **password**. - First time? Your building emailed you a "**set your password**" link. Open it, choose a password, then come back and sign in.
3. Tap **Sign in**.

To change the app language at any time, tap the **EN / ES** pill at the top of the screen — the whole app switches instantly and remembers your choice.

2. The home screen (what's where)

After signing in you land on **Inicio (Home)**:

- **Top bar**: your **avatar** (top-left — opens your profile), the **EN / ES** language pill, and the **bell** (notifications).
 - **Your balance card** — shows what you owe (or "**Up to date**"), with two buttons: **Report a payment** and **See Payments**.
 - **Quick actions** — **Payments**, **Community**, **Reserve**, **Guest pass**.
 - **Building notices** — the latest announcements.
 - **Bottom tab bar**: **Home** · **Messages** · **Payments** · **Maintenance**.
-

3. See your invoices and receipts

1. Tap **Payments** (bottom tab) — or the **See Payments** button on the balance card.
 2. You'll see your **invoices** with their status (paid, partial, unpaid, overdue) and your **receipts**.
 3. Tap any invoice to open it and see the charges. Tap a receipt to view it.
 4. To keep a copy of an invoice, open it and tap **Download PDF** — it opens your phone's share sheet so you can save or send it.
-

4. Report a payment (when you paid by transfer/deposit)

1. Tap **Payments**, then tap **Report a payment** (also on the Home balance card).
 2. **Select the invoice(s)** you're paying — you can check more than one (e.g., dues + parking in a single transfer). The amount adds up automatically but you can edit it for a partial payment.
 3. Tap **Add photo** and attach a picture of your **receipt / comprobante**.
 4. Tap **Submit**.
 5. Your building reviews it. When they approve, your balance updates and you get a **receipt** back. You can see the status any time under **Payments**.
-

5. Pay online (U.S. buildings only)

If your building is in the U.S. and has online payments on, the invoice shows a **Pay online** button.

1. Open the invoice under **Payments**.
 2. Tap **Pay online**.
 3. Choose **Card** or **Bank**, enter the amount (full or partial), and confirm.
 4. The invoice updates automatically once the payment settles — no need to report it.
-

6. Report a maintenance problem

1. Tap **Maintenance** (bottom tab).
 2. Tap **Report a problem**.
 3. Enter a short **title**, a **description**, and tap **Add photo** to show the issue.
 4. Tap **Submit** — the ticket goes to the building's team.
 5. Follow along in the **conversation** on the ticket. When the work is marked done you'll be asked to **confirm it's resolved** — tap ✓ **Yes, it's fixed** (or reopen it if it isn't).
-

7. Notices

- New building notices appear on **Home** and as a notification.
- Tap a notice to read the full message.
- If it's a **critical** notice, tap **"I saw this"** to confirm you read it.

8. Reserve an amenity

1. On **Home**, tap **Reserve** (or open **Community** → **Amenities**).
 2. Pick the amenity (event room, pool, gym...).
 3. Choose the **date and time** — Predio only offers slots that fit the amenity's hours, length and capacity.
 4. Tap **Reserve**. If the amenity needs approval, it shows as **pending** until staff approve it.
 5. See your bookings under **My reservations**.
-

9. Create and share a guest pass

1. On **Home**, tap **Guest pass** (or **Community** → **Access**).
 2. Enter the **visitor's name** and the **valid window** (date/time).
 3. Tap **Create** — Predio generates a **QR pass**.
 4. Tap **Share** to send it (WhatsApp, Messages, email) or **Download** the pass image.
 5. At the gate, the guard **scans** the QR and it validates automatically.
-

10. Documents and your lease

1. Tap **Community** → **Documents** (or the **Documents** row in your profile).
 2. Open your **lease** and any files the building shared with you.
 3. If you have a **lease to sign**, open it from the notice/email, review it, sign on your phone, and keep the signed copy here.
-

11. Message the administration

1. Tap **Messages** (bottom tab).
 2. Open your conversation (or start one) and type your message; attach a photo with the photo button.
 3. Staff reply here. Note: you always see the sender as "**the building / Administración**," never a personal staff name.
-

12. Your profile and account

Tap your **avatar** (top-left) to open **Profile**:

- **Change photo** — tap your avatar photo.
 - **Language** — English / Español.
 - **Notifications** — turn categories on/off.
 - **Manual** — opens this manual.
 - **Sign out**.
 - **Delete account** — removes your login and personal app data (your unit's billing records stay with the building).
-

13. Getting help any time

Tap the ♦ at the top of any screen to open **Predio Help**. Ask it in plain language — *"how do I report a payment?"*, *"what's my balance?"* — and it walks you through it, in your language. It only explains and answers; it never changes anything on your account.
